DESCRIPTION/OPTIONS: The 2007 Saturn Aura XE is a mid-size sedan that effortlessly blends style, comfort, and performance. Powered by a 3.5-liter V6 engine producing 224 horsepower, it offers a responsive and smooth driving experience. The exterior features a sleek, aerodynamic design with refined lines and a contemporary front grille, making it stand out in its class. Inside, the Aura XE boasts a spacious cabin with quality materials and supportive seating for five passengers, ensuring comfort on long journeys. Standard amenities include power windows, remote keyless entry, and a six-speaker audio system. With its balanced handling, commendable fuel efficiency, and a focus on safety, the 2007 Saturn Aura XE is a reliable and practical choice for families and commuters alike.
